

Dear Salmon Forever Conference Participant.

We are so glad you have registered for the Salmon Forever Conference, October 25, at AL Fortune High School, 500 Bass Avenue in Enderby.

This e-mail is to let you know what to expect in terms of what to bring, how to dress for the weather, and the schedule. We want to walk the talk in terms of the carbon footprint this conference creates. We will not be printing a program.

What to Bring: coffee cup, water bottle, note taking materials, creative ideas on climate change education and ideas on doable action projects.

How to Dress: dress in layers. The morning will be in a heated school and the afternoon will be outdoors. It can be very chilly at Kingfisher, so mitts, toques, and warm foot wear are a must. Be prepared for changeable weather. (the forecast is for a mix of sun and clouds)

Schedule: *please help us stay on time; we are trying to accomplish a lot in one day!*

8:00-8:50 Registration in the foyer of the school, make name tags, get coffee and muffin.

8:50-9:00 Move to Theatre and get seated. (The school principal has graciously let us bring in food and drink for this day only.)

9:00-9:05 Welcome, Introductions, Welcoming Prayer Edna Felix Splatsin Councilor.

9:05-9:15 Splatsin Salmon song and Dancers Directed by Laureen Felix

9:15-9:25 Words of Wisdom from Kukpi7 – Wayne Christian Chief of Splatsin
